Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- Yes
 No

Does the proposal consist of, or include, a change of use of the land or building(s)?

- Yes
 No

If Yes, please give a full description of the scale and nature of the proposed use, including the processes to be carried out, any machinery to be installed and the hours the proposed use will be carried out

The property was built as an end of terraced, three bedroomed house, around 1935. In 1991, it was divided into two flats, one on the ground floor and one on the first floor, by the addition of a stud wall across the hallway and staircase. The smallest bedroom on the first floor was then made into a kitchenette to serve the first floor flat. The proposal is to remove the stud partition wall in the downstairs hallway and remove the first floor kitchenette, therefore restoring the property as a single, three bedroomed house. The electricity supply has had two pre-payment meters installed. These will be removed.

If Yes, please fully describe the existing or the last known use, with the date when this use ceased

The house was a three bedroom freehold property until it was subdivided into two flats in 1991. A leasehold was granted for the first floor flat on 10th January 1992. I purchased the leasehold first floor flat on 19th January 2021, and the ground floor this month (May 2023). I therefore own the freehold of the building.

Has the proposal been started?

- Yes
 No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property was originally built as a three bedroom house. I wish to restore its original use.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Is the proposed operation or use

 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The property was originally built as a three bedroom house. I wish to restore its original use. There will be no structural change, only the removal of a stud (wooden frame and plasterboard) partition wall in the ground floor hallway and the removal of kitchen units from the upstairs small bedroom.
