Description of Proposed Works

Please describe the proposed works

Installing a Police and insurance Secure metal Shed to store my vintage motorbike . I have another modern motorbike in my garage. The garage is also used for storage of my tools (I am a retired kitchen/bathroom fitter) so I have no more room available inside it. Shed will be hidden behind trees and evergreen shrubs already present, and will not be visible from main roundabout. As per your copy of image from google street view on delegated report, I appreciate that as per first application the shed would have been visible from Shropshire garden end. (Note that no resident have objected to the project) I now proposed to add a 2 wooden fences 1.8m height to the side of the shed so it will look like my neighbour at nbr 31 Norfolk chase (Planning permission 13/00263/ful). The fence will be extended to the front side of shed so its view from the end of Shropshire garden will be masked. If required I can also add mature evergreen bushes that will cover the wooden fence and extend the existing line of evergreen bushes. This will soften the appearance and will give similar look from the roundabout view.
