© **NOTE 1** : This drawing is a scheme design (in whole or in part) prepared for submission to the relevant local authority for the purposes of obtaining planning/listed building consent only, and shall not be used for any other purpose.

Please be aware that should planning/listed building consent be granted there will almost certainly be conditions which will require permission/discharging prior to commencement on site.

Please check the conditions have been approved before commencement as failure to do so may lead to the planning approval being void.

Please be aware should planning approval be granted for this project you may incur CIL (Community Infrastructure Levy) charges. These charges are arranged and collected through the Local Authority. An agreement on how and what to pay must be agreed with the Local Authority before any commencement of work on site.
