Site Area
What is the site area?
433.20

Scale
Sq. metres
Does your proposal involve the construction of a new building which would result in the loss or gain of public open space? Yes
⊙ No
Description of the Proposal
Description
Please describe the proposed development including any change of use
Demolition of an existing extension of sub-standard construction, the construction of a replacement extension with enhanced facilities, adjustments to fenestration, internal remodeling and refurbishment, and change of use to a Children's Residential Home. To accommodate 2 No. children with complex needs for short to medium term stays in a residential setting.
Has the work or change of use already started?
○ Yes ⊙ No
Existing Use
Please describe the current use of the site
Empty residential dwelling
Is the site currently vacant?
If Yes, please describe the last use of the site
Residential dwelling
When did this use end (if known)?
03/03/2023
Does the proposal involve any of the following?
Land which is known or suspected to be contaminated for all or part of the site
○ Yes ⊙ No
A proposed use that would be particularly vulnerable to the presence of contamination ○ Yes ⊙ No
Application advice
If you have said Yes to any of the above, you will need to submit an appropriate contamination assessment.

erials
he proposed development require any materials to be used in the build?

5309 PL-104 Proposed Plans, 5309 PL-105 Proposed Elevations, 5309 PL-106 Existing Site Plan, SS317A Rowlinson Triple Bin Store SPA.23.0080 FINAL - Preapplication advice, Email from Magaret Iles - Principle Ecologist, Email from Carwyn Powell - Team Leader.
Pedestrian and Vehicle Access, Roads and Rights of Way
Is a new or altered vehicle or pedestrian access proposed to or from the public highway? ○ Yes ⊙ No
Are there any new public roads to be provided within the site? ○ Yes ⊙ No
Are there any new public rights of way to be provided within or adjacent to the site? ○ Yes ⊙ No
Do the proposals require any diversions/extinguishments and/or creation of rights of way? ○ Yes ○ No
Please show details of any existing or proposed rights of way on or adjacent to the site, as well as any alterations to pedestrian and vehicle access, on your plans or drawings.
Vehicle Parking Is vehicle parking relevant to this proposal?
Please provide information on the existing and proposed number of on-site parking and cycling spaces on your plans.
Trees and Hedges Are there trees or hedges on the proposed development site? O Yes
 No And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? ○ Yes ○ No

5309 PL-101 Site Location Plan and Site Plan,

5309 PL-102 Existing Plans, 5309 PL-103 Existing Elevations,

determined. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'
Assessment of Flood Risk
Is the site within an area at risk of flooding? O Yes O No
Refer to the Welsh Government's Development Advice Maps website.
Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? Yes No
Will the proposal increase the flood risk elsewhere?
○ Yes ⊙ No
From 7 January 2019, all new developments of more than 1 dwelling house or where the construction area is 100 square metres or more, require Sustainable Drainage Systems (SuDS) for surface water designed and built in accordance with the Welsh Ministers' Statutory SuDS Standards . SuDS Schemes must be approved by your local authority acting in its SuDS Approving Body (SAB) role. Please contact your local authority for details of how to apply.
How will surface water be disposed of?
☐ Sustainable drainage system
☐ Existing water course
☐ Soakaway
✓ Main sewer
☐ Pond/lake
Biodiversity and Geological Conservation To assist in answering the following questions refer to the help text. The help text provides further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.
Having referred to the help text, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?
a) Protected and priority species
 ○ Yes, on the development site ○ Yes, on land adjacent to or near the proposed development ⊙ No
b) Designated sites, important habitats or other biodiversity features
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development② No
c) Features of geological conservation importance
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development⊙ No

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.
Your local planning authority will be able to advise on the content of any assessments that may be required.
Foul Sewage
Please state how foul sewage is to be disposed of:
✓ Mains sewer ☐ Septic tank
☐ Package treatment plant
Cess pit
□ Other □ Unknown
Are you proposing to connect to the existing drainage system?
○ No
○ Unknown
If Yes, please include the details of the existing system on the application drawings and state the plan(s)/drawing(s) references
Existing drainage indicated on 5309 PL-102 Existing Plans
Adaptations indicated on 5309 PL-104 Proposed Plans

Pre-application Advice Has pre-application advice been sought from the local planning authority about this application? ⊘ Yes ○ No If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application
more efficiently): Officer name: Title ***** REDACTED ******
First Name ***** REDACTED ****** Surname ***** REDACTED ******
Reference SPA/23/0080 Date (must be pre-application submission) 24/08/2023
Details of the pre-application advice received

The external works are not seen to be an issue with regard to LDP policies, the majority of the proposed development is minor in nature, and the proposed extension sits on much of the same footprint as the previous flat-roofed structure. The additional mass associated with the proposed works are not viewed to impact the schemes acceptability, with it being apparent that the extension would be utilising materials 'to match' the incumbent dwelling, ensuring the proposal's compliance with policy SP6 of the Caerphilly County Borough Local Development Plan, up to 2021 (adopted in 2010). The aforementioned changes to the fenestrations and extension would similarly be in accordance with policy CW2 (amenity) of the LDP, due to their minor nature and small scale.

With regard to the change of use, no indication has been given as to the amount of children that would be staying at the institution at one time or for how long etc, this would need to be assessed under a full planning application. Consultation comments would also be essential for this application, with regard to policy CW3, which would require consultation with the authority's highways department, as well as policy CW2, which would require consultation with public health for impacts on surrounding amenity through increased noise and activity that the site would be experiencing

As referenced consultation comments would be required under a full application, as well as neighbours being appropriately consulted, which may be under the form of a site notice.

To conclude, he principle of the exterior works and changes to the dwelling are seen as acceptable and in accordance with the referenced LDP policies, however the principle of the change of use is something that would require not just some estimation of figures of activity the site would be experiencing daily, but additionally specialised consultee comments from various areas, including highways and public health. These will be undertaken under a full application.
