# Grande Garden Room Kit 3 (5.5 m x 3.3 m)

DELIVERY WITHIN  
4 - 6 WEEKS

BUY NOW. PAY LATER.

The Grande is the largest of our insulated garden room range and provides a large space that's perfect for a wide range of uses. Some of our favourite builds from customers have ranged from a home bar, hair salon or summer house, the possibilities with this flat pack garden room kit are endless. [visit the dedicated Grande Door page](#)

\*Please note our flat pack kits are shell only and do not include doors. The structural opening for the door is 4600 mm wide x 2105 mm high.

Each kit includes the Insulated Roof, Wall and floor panels, flashings, accessories and fixing kit. All you need to complete your build is a solid base and your door.

Please advise below if you require Concrete or Timber base fixings.

## Description

As with the rest of our insulated garden room range, the Grande benefits from industry-leading QuadCore insulated panels which are utilised for the roof, walls and floors. This innovative technology allows the structure to be constructed without the need for a timber steel substructure and helps keep you warm in winter and cool in summer.

### Product Highlights

- Speed of install - waterproof & wind tight substructure up within 1 day
- No need for timber or steel frame substructure
- Cranked Corners eliminating the need for flashings on the walls
- Insulated Panels are ideal for disassembly and reuse
- Leading thermal performance with QuadCore technology`
- Year round use. Our garden rooms are cool in the summer and warm in the winter
- Excellent customer service and a! er sales support
