In principle proposed dormers may be acceptable. The rear should be fine, however on the front concerns were raised that the existing dormers are fairly balanced and adding one big dormer would create an unbalanced elevation. Suggested it would come down to how prominent the building is within the conservation area.

The juliet balcony would need consultation comments and a site visit to understand how this modern feature would affect the setting of a listed/landmark building.

No objection over the demolition of the chimney due to its limited size.

No comments were made on the replacement window and doors on the West elevation.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
