Subject: P 1373/23/TCA - Application to Pollard Narrow-leaved Ash tree at Driftwood House, Clanna Road, Alvington, GL15 6BA

Hi

Please can the e-mail correspondence below, regarding confirmation of the extent of pollarding proposed for the tree subject to planning application number P1373/23/TCA, be uploaded to IDOX/UNIFORM.

Many thanks

Stuart Payne

Hi Stuart

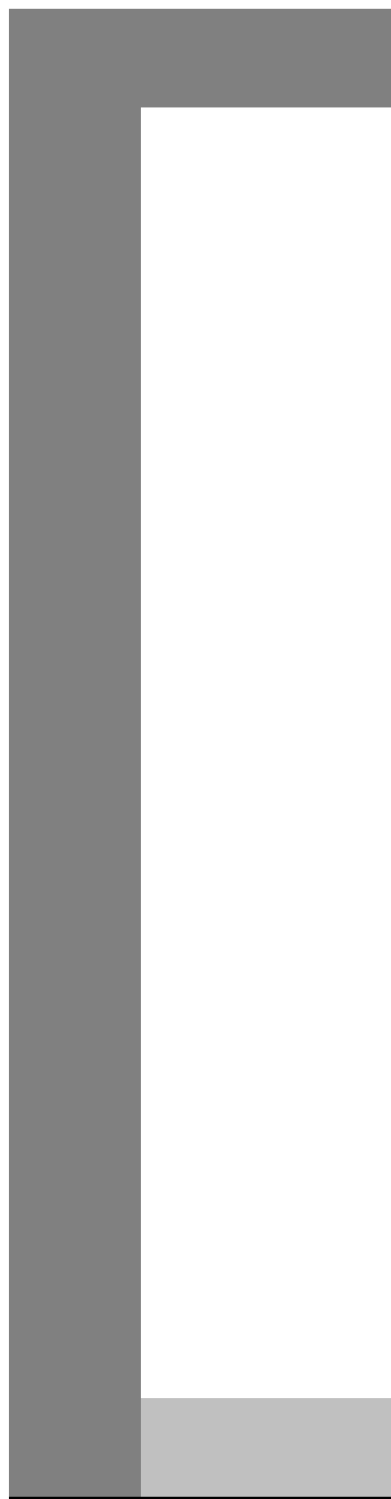

I would say the tree is currently 20m plus in height so I think we are looking to take it back to around 15m. It's engulfed an old telegraph pole so I hope taking the height and diameter out will help this issue as well.

Additional images attached for context.

Many thanks

Lucy

Dear Miss Davies

I am contacting you regarding your recently submitted application to pollard a Narrow-leaved Ash tree at Driftwood House in Alvington. The application has been registered as planning application number P1373/23/TCA (Planning Portal Ref: PP-12533866). Before I can validate the application, I would be most grateful if you let me know the height at which you intend to pollard this tree to, as the current description of the proposal on the submitted application form only states that you intend to pollard it, but does not specify to what height.

I hope you are able to provide the information I have requested in order to progress your application.

Yours sincerely

Stuart Payne
