Description of Proposed Works

Please describe the proposed works

This proposal represents a minor addition to the previously approved scheme at Ellacombe, Circular Road (Ref: 22/1214/HOU), which was granted on 27.01.23. Planning permission is now being sought for two new conservation roof lights on the front (northeast) elevation of the roof. While these modifications are minor, discussions with the planner have determined that the proposed changes will require a new planning application rather than a simple amendment to the existing one. However, during these discussions, the planner has expressed satisfaction with this proposal in principle.
