PLANNING

## Details of A/C Units Enclosures

Softwood timber construction with monopitch mineralised felt roof in dark grey

Timber to be finished in 'Sadolin' shed & fence or 'Cuprinol' wood stain in 'Green Forest' shade.

Rear to be open for airflow

Enclosures to be placed over A/C units 100mm minimum away from building wall and screwed or bolted to ground to allow for removal when maintenance or repair of units is required
