Would an EOT until 29 September be long enough for you?

Good afternoon Paul,

This application is due to expire tomorrow, 30 August 2023.

As you are aware, the application in its current form is recommended for refusal. Can you let me know how you would like to proceed, whether you are intending to submit new plans for not?

If so, can we agree to an EOT?

Regards

Jane Forder, Assistant Conservation Officer
