Brookmeadows House Pool.

My late ex husband and I became involved in teaching non swimming adults to swim in the early 1990's at the pool at the house. By the time of my divorce in 2003 the revenue from the pool was a point raised as a matter for discussion during the proceedings. Therefore, the proof that the pool was used as it is now, is provable as far back as 2003. I would say it had been used as an amenity for paying guests for at least 5 years before that.

Over the years I have been aware of the continuation of the pool as our children have visited the house and not been able to use it because it was busy with guests. In addition, swimmers who used the pool as far back as the late 90's have often let me know that they had continued to use the pool up until it was closed for a new dehumidifier to be fitted and for renovation. I believe several have written letters to you regarding their use of the pool over many years and now swimmers who I welcomed over 25 years ago, return with their own families.

I am delighted that my daughter and Ian have been able to bring the pool up to such a high standard and provide a valuable amenity. It was always a pleasure that guests enjoyed their visits to the pool. I know that Sarah and Ian are particularly surprised by the number of children with sensory needs who really enjoy the calm and privacy of the experience.

If I can provide you with any further information, I would be happy to do so.

Yours faithfully,

Dear Sarah and Ian

Just wanted to say thank you so much for making the decision of reopening Brookmeadows Swimming pool. I have been visiting your pool since I was a child with my grandpa and grandma, along with my aunt and uncle and cousins. It is a pleasure after 20 years of fond memories and time spent at Brookmeadows that I can now bring my 2 children to swim, as well as my cousins son. Community spirit in regards to Brookmeadows is very strong and I look forward to the next generation experiencing the peace and tranquility your pool brings. X

Regards
and family

Dear Sir or Madam,

I am writing to confirm that the pool at Brookmeadows has been open for commercial use since the mid 1990's. I cannot remember the exact date, but at that time I was in a relationship with a member of staff who worked for Mary McLean at the kennels, and I helped with the pool maintenance and upkeep if ever she went away.

This has been a facility used by local people for many years and I hope it will continue for many years to come.

Your faithfully,

Dear Sarah

This is to confirm that we have previously hired the private swimming pool at Brookmeadows in Swayfield on numerous occasions over at least 20 years, along with many family members and friends.

Our friends son learnt to swim there and he is now 24 years old and now [REDACTED] at 82 years old has finally managed to swim a length, so its importance as a local facility is very important to us, along with many happy memories.

Yours

To whom it may concern,

I am writing to let you know that I am now 36 years of age and I have been coming to the swimming pool at Brookmeadows House, Swafield since I was a child with my family. Obviously, we did not use the pool during the COVID lockdown, but I have been a consistent user, as a paying guest, of the pool since the mid-1990s.

We are delighted that the pool has been refurbished and my husband and I wish to continue to use the pool with our own family, for many years to come.

Yours faithfully

To whom it may concern

We are writing to confirm that we have been using the pool at Brookmeadows for over 19 years. We are a big family and at various times we have each taken slots at the pool over a period which spans 19 years. Originally we were a smaller group but over the years we have come with the girls partners and now our grandchildren.

We took a regular slot at the pool each Wednesday evening. In fact [REDACTED] who is now 34, can remember coming to the pool since she was 15 years old. For many years [REDACTED] continued with that slot as a "regular" paying guest until the pool needed refurbishment. The pandemic obviously caused delays to that, but we are delighted to have resumed our use of the pool. It is a real treat for us and a lovely amenity for us as a family.

Yours faithfully,

Dear Sir or Madam,

Brookmeadows Pool.

I have been using the pool at Brookmeadows since 2003 when I used to come regularly for many years with a work colleague. I now use the pool with my grandson and family. It is a pleasure to swim in such a calm, private and warm environment.

It is fabulous to have this amenity so close to home and to have had the opportunity to use it for all this time. I am delighted that the pool has been refurbished and I look forward to coming to the pool for many more years with my family.

Yours faithfully,
