For the attention of Miss Melissa Baldwin

17th September 2023

Dear Miss Baldwin

Ref:PO965/23/PREAPP

Please find enclosed my formal application for the repair of the cellar at the above address. As requested I am enclosing the original reports plus 3 copies.

- Application Form
- Structural Survey – A Winterbotham Ltd
- Damp Survey – DampCure
- Bat Survey – Acer Ecology – this is a 23 page report so I am just including the relevant pages for you

The situation at the moment is that the floor of the sitting room/ceiling of the cellar is not in a good condition and repair is essential so I hope this will provide you with all the necessary information to make your decision. I have no plans to use the cellar or to move from the property.

I am also happy to follow the recommendations made by these professionals.

I look forward to hearing from you.

Kind regards

Anne Fairbank
