Proposed Change of Use from Store Room to Shop at  
Grainthorpe Mill, Main Road, Grainthorpe, Louth LN11 7HX

Our core business is homemade cakes and bakes made from quality ingredients, locally sourced where possible. Our product range includes sausage rolls, quiche, cakes, tray bakes, tarts and pastries. These are the products we will be focusing on in our bake shop.

Products will be chosen by the customer from our display cases and fridges and will be boxed up for them to take away and enjoy. We plan on introducing a small range of hot and cold sandwiches/rolls.

We will aim to open the shop 3 or 4 days a week, opening times and hours will vary, depending on demand.
