Variation of Condition 1 attached to planning application reference 13/04343/VAR to allow retention of the demountable accommodation for a further temporary period of ten years.

- PROPOSAL

Planning Permission ref 13/04343/VAR was granted on 27 January 2014 to allow for the retention of the temporary planning permission for the (3-Bay) demountable building for a further temporary period of ten years.

Since that date, the building has continued to provide vital accommodation over the past ten years.

The building is being used by the school (operating during the main school hours, term time only).

The demountable building has been maintained and provides flexible accommodation.

To allow for the retention of the demountable building for a further temporary period of ten years, planning permission is being sought to vary condition 1 of the current 2014 planning permission, in order, that the date by which the building is to be removed and the land reinstated reads as "31 October 2033".
