Dear Ms Barton,

With regard to my Listed Buildings Consent application Ref PA23/08258.

Thank you for your email, I was not aware of the detail required for the application and appreciate you letting me know what additional information was required.

I have to the best of my ability enclosed as follows:

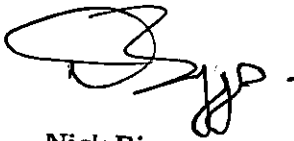

1. Revised plans with scale bar
2. revised window drawings with scale bar
3. Heritage assessment form
4. Ecological trigger report.

I hope this is sufficient but please let me know if there is anything else you need.

I am available during the week if you would like to do a site visit.

I look forward to hearing from you.

Yours sincerely

Nick Biggs
