Dear Sir/Madam,

2 Crafton Lodge Road Crafton Mentmore Buckinghamshire LU7 0QL

T1: Eucalyptus. Reduce Eucalyptus in rear garden by 1-4m to create a slimmer, balanced crown.

The tree is showing signs of stress , probably due to the drought last year. The majority of the reduction will occur on the lateral limbs that are over extended and prone to failure due to their length.

Thank you for your notification which was registered on the 24th October 2023. The application is being dealt with.

There is no fee necessary for this notification.

If a Tree Preservation Order has not been served on the tree(s) by 5th December 2023 you are at liberty to carry out the proposed works.

To ensure our records are always up to date, please let us know if you change your postal or email address.

Yours faithfully,

The Business Support Team
