

DESIGN & ACCESS STATEMENT

Repairs and Alterations to Outbuilding 58 Main Street, Coln St. Aldwyns GL7 5AN

This application is for repair and alteration works to a small stone outbuilding, known as The Bothy to the applicants, at the above address, to both halt the decay and to make the structure more useable than at present.

The building is not a habitable structure, but the proposed alterations will make it more suitable for the storage of domestic and gardening implements and equipment. As a consequence its utility and accessibility will be improved.
