Dear Jan,

Many thanks for your help with this application. Please update the proposal as follows:

T1 Norway Maple. Crown reduce by 3m to 0.5m below previous pruning points to prevent fouling on adjacent buildings. Tree will remain at approximately 6m diameter and 5.5m height.

Many thanks

Andrew

Good afternoon

Further to our telephone conversation today we confirm that we will amend the proposal for T1 Norway Maple to read Crown reduce, and await your advices on the extent of the reduction in metres as discussed. Please forward your response to this email address so that we can validate the application for you. Many thanks.

Regards,
