

Support Statement for Hot Food Takeaway Application - Proposed Operation Details

Intended Use:

The proposed hot and cold food takeaway establishment aims to offer Mediterranean cuisine with a dash of local flavours, catering to the diverse tastes and preferences of the local community. Our menu will include a variety of dishes prepared with fresh ingredients, providing a convenient and flavourful dining option for residents and visitors alike.

Hours of Operation:

The takeaway will operate in two shifts. The first shift will run from 7 am to 3 pm, employing five staff members. The second shift will commence from 3 pm to 11 pm, with a total of seven workers. These operational hours have been carefully chosen to accommodate the demand for breakfast, lunch, and dinner, ensuring accessibility and convenience for customers throughout the day.

Staffing Levels:

We are committed to generating employment opportunities within the local community. The proposed takeaway will provide employment for a total of 12 individuals, contributing to the growth and economic development of the area. We will prioritize local recruitment, fostering a sense of community and supporting the local workforce.

Parking:

The premises have access to 26 parking spaces located adjacent to the building and an additional 20 parking spaces on Bradshaw Street. This ample parking provision will ensure that customers can conveniently access the takeaway without causing any undue parking congestion in the surrounding area.

Suitability of Use for the Area:

We firmly believe that the proposed hot food takeaway will be a valuable addition to the area. The Mediterranean-inspired menu, combined with local influences, will provide a unique culinary experience for the community. The establishment will contribute to the vibrancy of the local business scene, enhancing the area's appeal and providing residents with increased dining options.

In conclusion, the support statement highlights the intended use of the hot food takeaway, the operating hours, the number of employees, the availability of parking facilities, and the suitability of the proposed use for the local community. We are confident that this establishment will create a positive impact by offering quality food, generating employment, and fostering community engagement.
