Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The sycamore tree (1101) was plotted in the wrong position on the topographical survey due to the density of vegetation in the site. Following the site clearance and building set out it was discovered that tree 1101 was much closer to the construction area and that it would sustain significant root loss if not removed to enable the development to take place.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

The updated tree protection plan - showing the removal of tree 1101 - will need to be added to the application so that Condition 6 is correct.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?
