Description of the Proposal

Please provide a description of the approved development as shown on the decision letter

Remodel the existing western extension to reduce the parapet height on the eastern elevation and introduction of a pitched slope with roof tiles to match the existing; remodelling of the openings to create a glazed western elevation with french doors on the north end; infilling of the existing cut-out to the doorway to create an improved roof profile, with the introduction of a matching parapet wall to create a visual break between old and new. New single storey rear extension reflecting the location and footprint of the former extension to the cross-wing with access using a former doorway to be unblocked. External landscaping works. | 20 High Street Over Cambridgeshire CB24 5ND

Condition number(s)

Condition 3 - partial discharge request, specifically related to bricks material

Has the development already started?

- Yes
 No

Part Discharge of Conditions

Are you seeking to discharge only part of a condition?

- Yes
 No

If Yes, please indicate which part of the condition your application relates to

External materials - brick

Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

Part of the new extension has brick work. It is a challenge to match the identical brick due to the varying colours which range across the rear of our property - see photos. We have however found some bricks which match part of the rear of the existing building which we feel complement and will tie in new and old - bear in mind we feel having such a different brick style and contrast will adversely impact the look of the extension.

Therefore, find request for approval of the style and colour of the bricks for the external walls of the new extension.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?
