This application is to replace these windows on a like for like basis.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

**Please note that following changes to Use Classes on 1 September 2020:** The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The windows are being replaced with like for like and so there will be no change to the appearance of the property but it will be more energy efficient.

Details of the pre-application advice received

Hi Andy

After discussions it may be advisable for you to apply for a "Lawful Development Certificate for a Proposed Use".

Partly because you are in a conservation area, partly incase the new windows are not exactly matching, and also because you will obtain paperwork from the council saying it's lawful, which can be passed on.

Applications can be submitted and paid for via the "Planning Portal" website. Link below, then choose "Start a planning application"

Do any of the above statements apply?

- Yes
- No
