Application for Certificate of Lawful Use - PP-12430311

Dear Sirs,

Please find enclosed supporting drawings for the application for a Certificate of Lawful use for the proposed domestic extension to Rosedale, Harrow Way, Basingstoke. We would note that the submitted drawings are scalable and therefore we believe we have submitted sufficient evidence to allow the local authority to verify the application.

We trust that this is in order, please let us know we are required to submit further evidence.

Yours sincerely,
