 No Liability of any kind whatsoever is accepted by Northumbrian Water, its
 agents or servants in the case of water mains or sewers which are shown on the plan
 but which are not shown on the plan. In the case of water mains or sewers which are
 shown on the plan but which are not shown on the plan, the plan must be established by
 taking trial holes in all cases. With effect from 1 October 2011, private lateral drains
 and sewers automatically become the responsibility of the sewerage undertaker under
 section 105A Water Industry Act 1991. These former private drains and sewers together
 with any other drains and sewers shown on the plan are shown as 'Private Drains and
 Sewers'. Where indicated on the plan there could be abandoned asbestos
 containing materials, the appropriate Health & Safety precautions should be taken.
 The plan is to be used as a guide only and should not be relied upon as a basis for
 any work which may be carried out on the site. The plan is to be used as a guide only
