Details of the pre-application advice received

Following a pre-application meeting with Mr. Glasgow and Mr. Rory Gogan (attended by myself and Mr. Kevin Cloud of Technical Arboriculture) a plan was set in place for the protection of the trees by improving the ground directly adjacent to the trees and providing suitable pile foundations with an air gap below to promote root growth and protection.
In terms of design, I have worked with Nathan so as to put together a scheme that compliments the original property and the local area, his advice included centralising the window above garage doors and being thoughtful as to the general positioning and size of the windows.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
