Good afternoon,

I write on behalf of Severn Trent Water Ltd (STWL) in regards to a full planning application which was submitted and paid on Friday 6th October 2023:

Planning Portal Reference - PP-12486647
Application Name – Milverton School Access

We would be grateful if the site location plan submitted alongside the application could be changed to the amended site location plan (please find attached) prior to validation.

We would also appreciate a prompt validation due to tight timescales associated with this application and the wider STWL Green Recovery Bathing Rivers Programme.

Please do not hesitate to contact me if you require any additional information and we look forward to hearing from you.

Kind regards,
Matt

Matt Taylor
