Minor amendments to the external finishes of the front elevation to 16a and 18 Birmingham Road and to part of the side elevation to no. 18 Birmingham Road.

The revised elevations will involve rendering of the front elevation of no. 16a and 18 and part of the elevation to no. 18. Part of the side elevation to 18 was approved as render and the front elevation will match this finish.

Please state why you wish to make this amendment

The condition of the brickwork in the areas forming the subject of this elevation are badly damaged and spalling is evident in areas. Amendments are already approved for the new enclosed porches to 16a and 18. Where possible existing bricks will be taken from areas of no 16 (which will be hidden by works to facilitate the extension) to patch the existing damaged brickwork of no. 16. This is not possible on nos. 16a and 18.
