Dear Sir or Madam,

Re: Variation of Condition 11 of P1207/21/FUL
Erection of an agricultural worker's dwelling at Hill Farm, Lensbrook, Lydney, GL15 4LR

I enclose an application to vary Condition 11 of planning permission P1207/21/FUL.

The wording of Condition 11 is currently a repeat of the wording of Condition 10. I understand this to be a 'cut and paste' error which can be rectified quite simply.

The wording of Condition 11 should, I understand, be replaced with the wording of the 3rd condition set out by NatureSpace in their email of 12th December 2022. I enclose a copy of the NatureSpace email with this application.

I would be grateful if the application could be dealt with as swiftly as possible please so that the applicants can seek to finalise the great crested newt District Licence process.

Thank you and I look forward to confirmation of registration. If there are any queries, please do not hesitate to contact me.

Yours faithfully
