

- NOTES:
1. Scaled dimensions can be taken from the drawing (instead of the record drawn scale).
 2. The drawing must be read in conjunction with all relevant drawings, documents and information provided by the Architect, other Consultants and the Specialist.
 3. All dimensions must be checked on site before any action is taken and must be commensurate with the dimensions of Specialist's drawings.
 4. The copyright of this drawing remains with the Architect.
 5. The Architect's liability is limited to the design of the building.
