Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

- The loft conversion with rear dormer complies with permitted development because
1. The roof extension is to the rear of the property and no higher than the existing roof
 2. The rear wall of the dormer is more than 20cm back up the roof slope
 3. The external materials for the dormer match the existing roof
 4. The rear dormer adds 17.92m³ of additional roof volume so less than 40m³ allowable for a terraced house
 5. The roof windows project less than 150mm from the roof slope

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application
