to have branches removed so utility lines are no longer obstructed

Note: if you are submitting a schedule of works or a plan, please give the reference number in the description of the works.

Reason for Proposed Tree Works

Please state the reason why you wish to carry out the proposed works to tree(s). In particular, please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the documents specified. *

- Health or safety of the tree(s) – e.g. it is diseased, fears that it might break or fall.
- Alleged subsidence damage.
- Other (please specify).

If you have selected Health or safety of the tree(s), or Other you should provide a report by a tree professional (e.g. arboriculturist, horticultural adviser).

If you have selected Alleged subsidence damage please provide a report by an engineer or surveyor, together with one from a tree professional – to include date and description of property damage; sub-soil type and shrinkage potential; location of any roots found and their identification; history of ground and building movement through a distortion survey and/or level or crack monitoring over a period of at least 12 months; other vegetation in the vicinity and its management since discovery of the damage.

If Other, please provide further details: * (Max 500 characters)
