Hi Steve

Please find attached the application and photographs for the work required on the trees at the front of the church. I have provided photographs with relevant tree identification numbers that highlights the trees identified in the application.

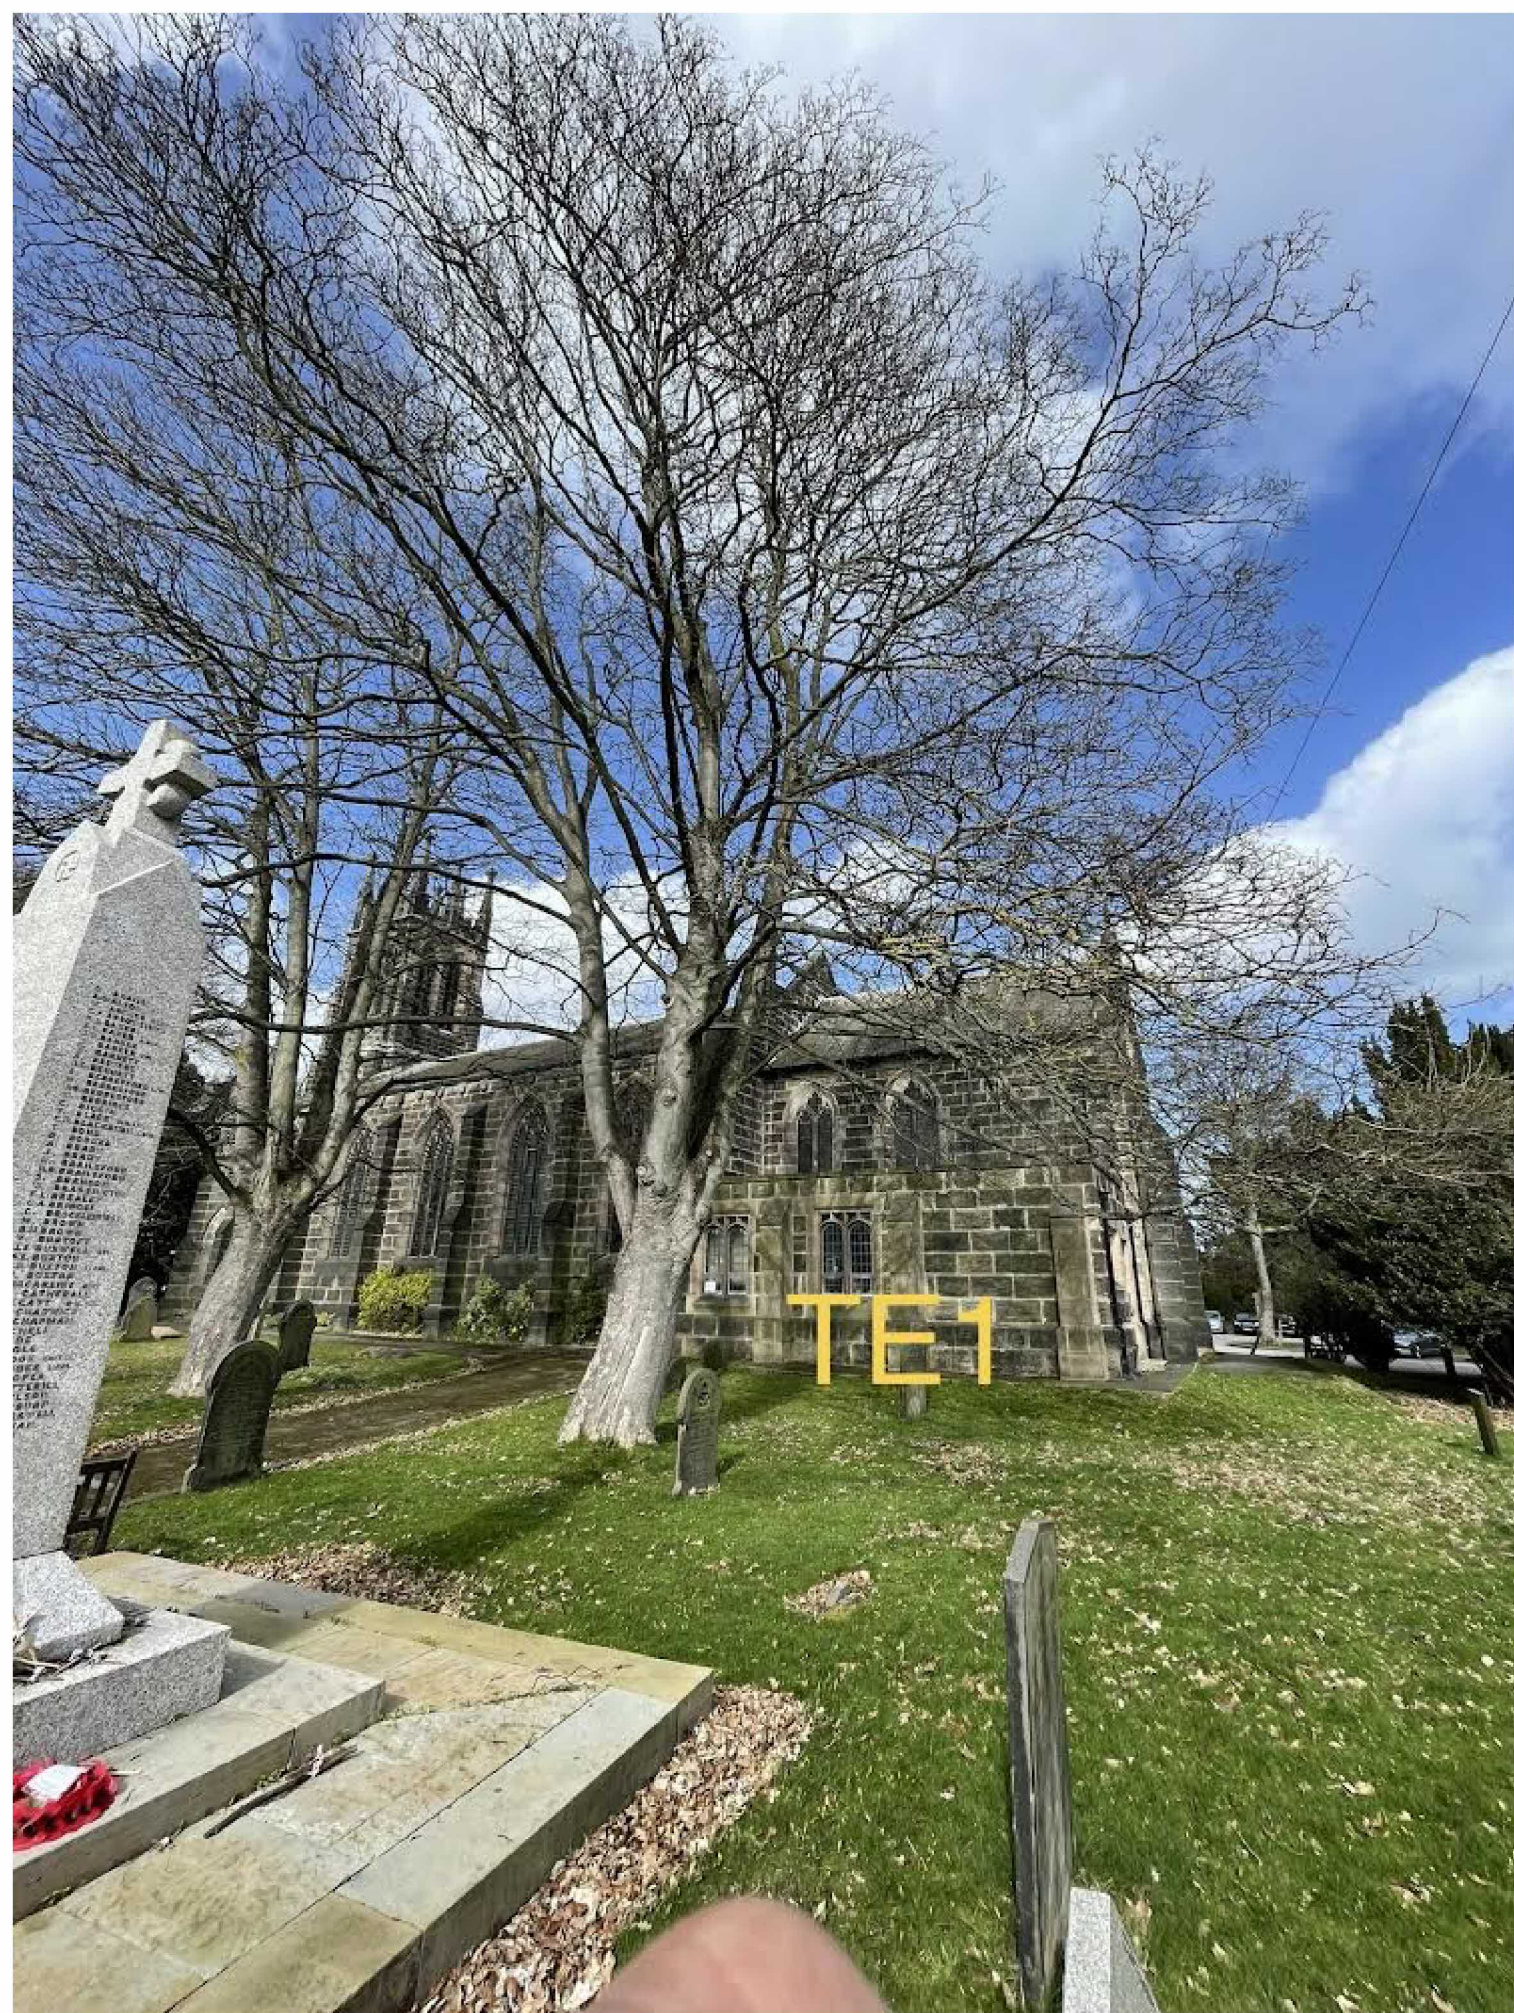

As I mentioned they have a memorial service on November 12th and the trees are encroaching on the war memorial and surrounding paths.

Many thanks.  
Your time is greatly appreciated.

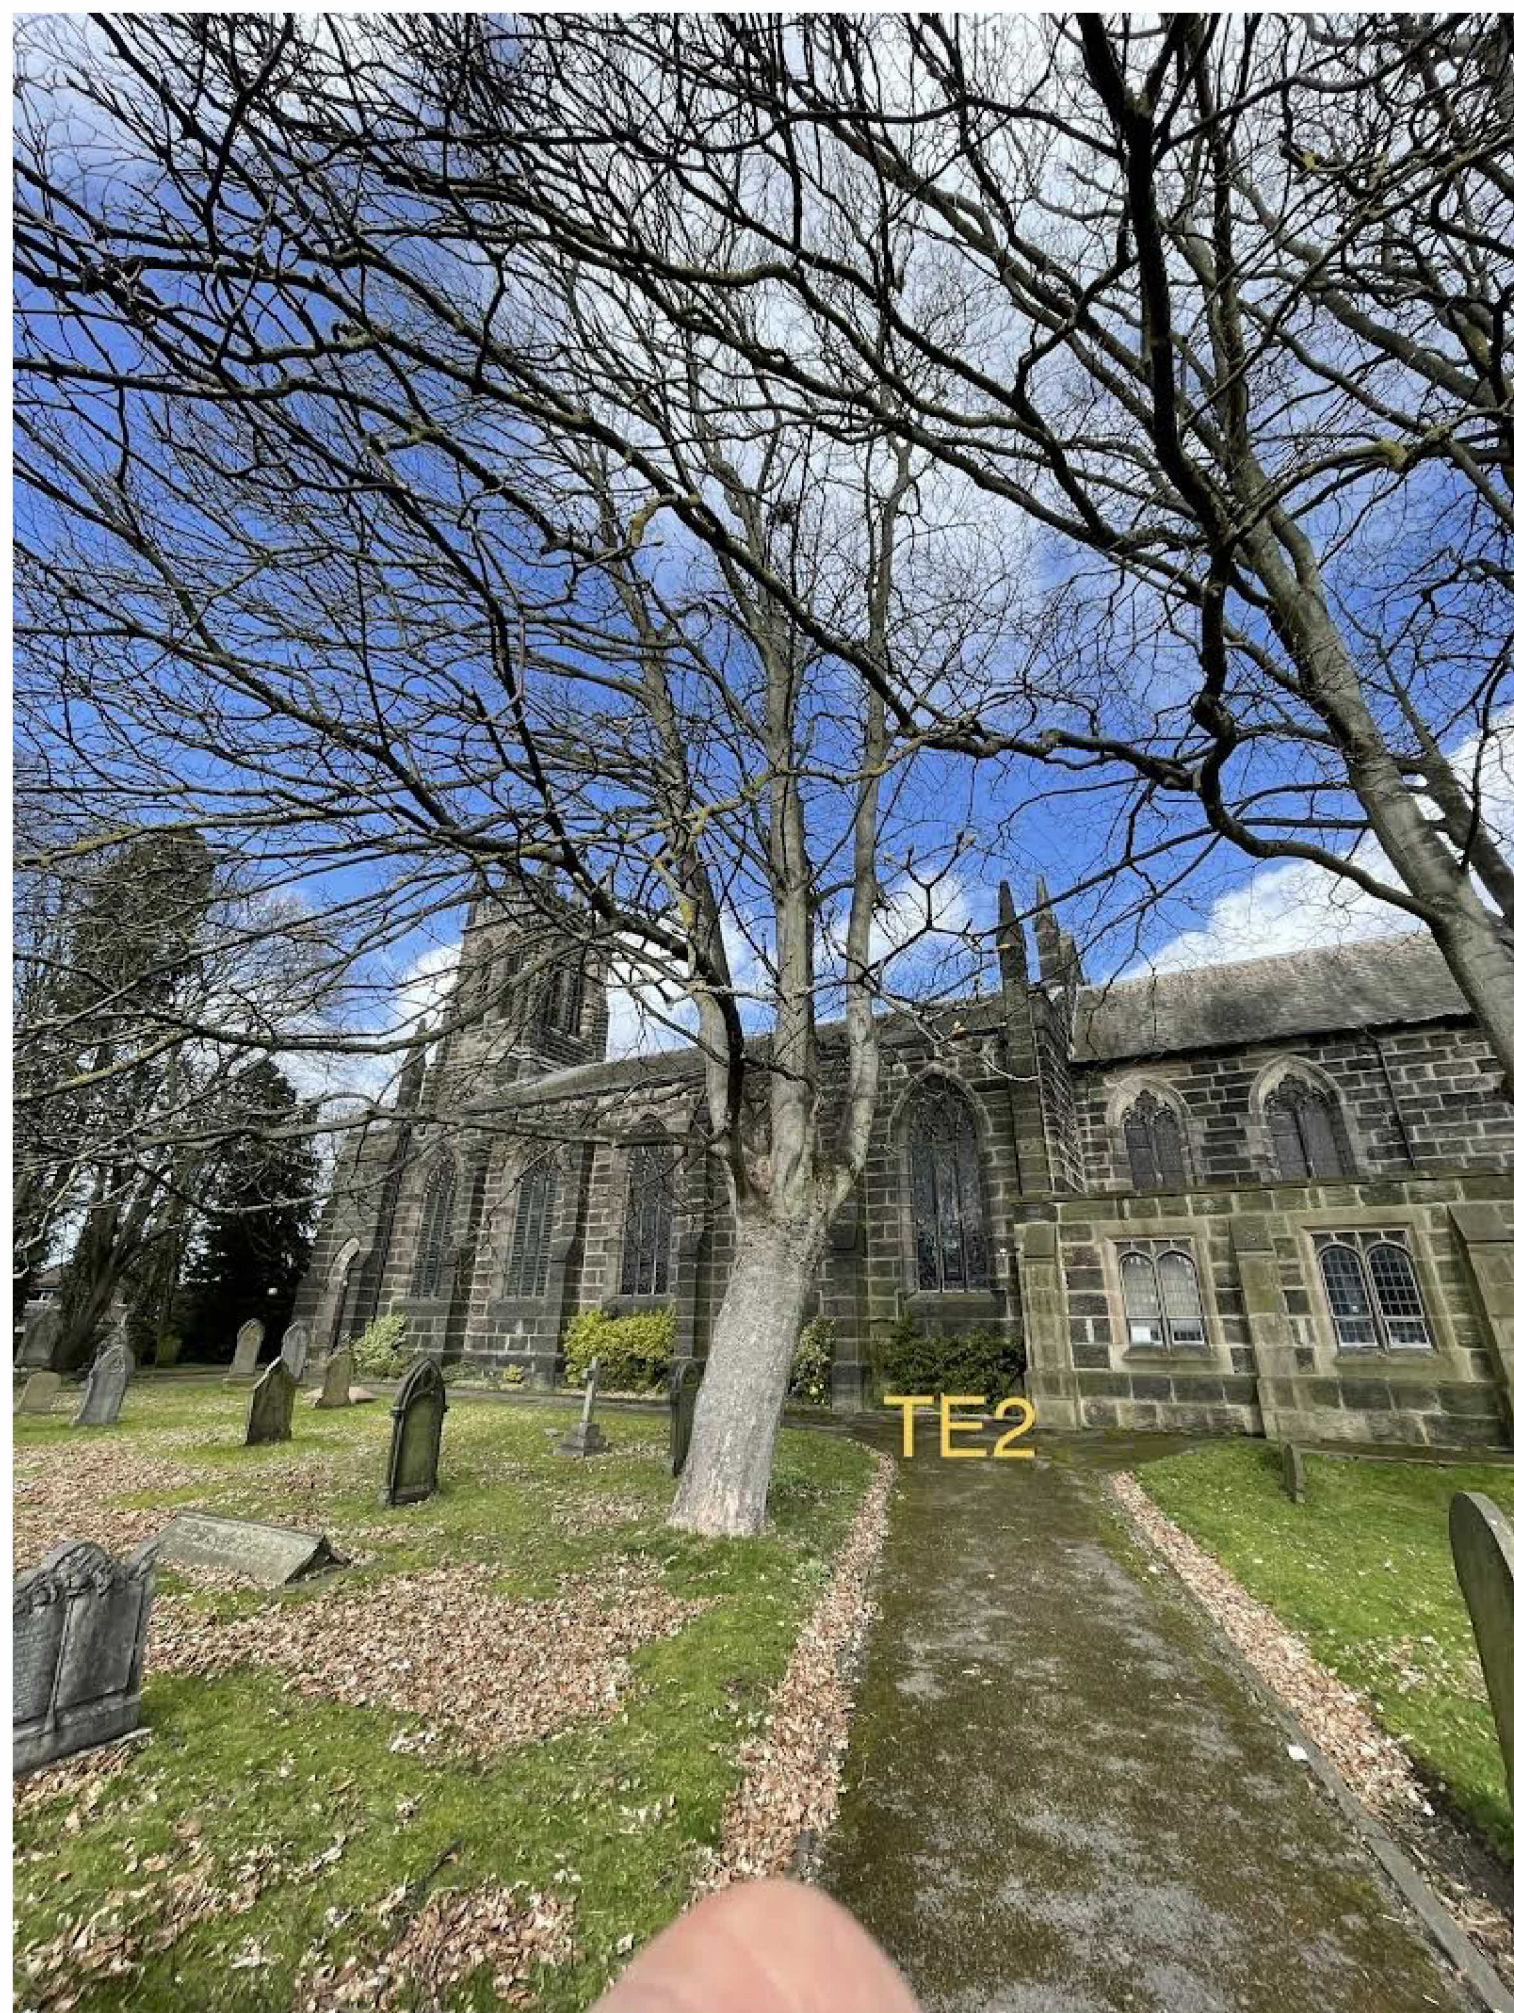

Liam Walker  
Walker tree services

Please find attached the PDF of the application and the corresponding photographs.
