| Description of the Proposal |
| Please indicate all those matters for which approval is sought as part of this outline application (tick all that apply) |
| ✓ Access |
| ☐ Appearance |
| □ Landscaping☑ Layout |
| □ Scale |
| Note: if this application is approved, the matters not determined as part of this application will need to be the subject of an "Application for approval of reserved matters" before the development may proceed. |
| Please note in regard to: |
| Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. <u>View government planning guidance on fire statements</u> or access the fire statement template and guidance. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or <u>view government planning guidance on determination periods</u>. |
| Description |
| Please describe the proposed development |
| Demolition of the existing house, swimming pool and tennis court and the erection of two detached dwellings with car barns and parking. |
| Has the work already been started without planning permission? |
| ○ Yes |
| ⊗ No |
| |
| Site Area |
| What is the measurement of the site area? (numeric characters only). |

| Trees and Hedges |
| Are there trees or hedges on the proposed development site? |
| And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? |
| ✓ Yes✓ No |
| If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'. |
| |
| Biodiversity and Geological Conservation |
| Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site? |
| To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals. |
| a) Protected and priority species |
| Yes, on the development siteYes, on land adjacent to or near the proposed developmentNo |
| |

| b) Designated sites, important habitats or other biodiversity features |
|--|
| ○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development⊙ No |
| c) Features of geological conservation importance |
| ○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development○ No |
| Supporting information requirements |
| Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal. |
| Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted. |
| Your local planning authority will be able to advise on the content of any assessments that may be required. |
