The original planning permission for the construction of the dwelling (application reference 17/04749/FUL), included a condition removing permitted development rights in respect of extensions, additions to the roof, other alterations to the roof, buildings incidental to the enjoyment of the dwelling house, porches, hard surfaces and chimneys or flues. Therefore, the proposed building cannot be constructed under permitted development and would require an application for Householder Planning Permission.
Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply? ○ Yes ⊙ No
