Bank transfer

You have the right to cancel this contract during the 'cancellation period' without giving any reason. **The cancellation period lasts 14 days and will start on the day the last part of the goods relating to the contract is delivered to you, unless you have opted out of the cancellation period.** You can also cancel the contract without penalty before any of the goods are delivered. Cancellation must be made in writing (if sent through the postal service this must be "signed for recorded" delivery). Where a structural report has been obtained this element (£200) will not be refunded.

If you want the work to start during the cancellation period then you must **sign the F32 request form** attached. If we start work on the installation and you later decide to cancel the contract within the cancellation period then you will be responsible for the costs of the goods and services already supplied and for making good the property.

Planning permission confirmation: By signing this contract you are confirming that you have received planning permission for the proposed installation or ascertained that planning permission is not required. We cannot be held responsible for any installations where planning permission was required but not obtained, and no refunds will be offered.

Customer Signature	Customer Name (please print)	Date
[Redacted Signature Area]		

By signing this form, you are confirming the order for the Products and Installation Services specified on the attached Quotation. Upon signing, you agree to the attached terms and conditions (F13 & F19) and this order will become legally binding.

We are a member of the Renewable Energy Consumer Code and this document is prepared in accordance with its Customer Code.

Your MCS certificate will be provided on receipt of full payment.

Any personal data that you may be asked to provide by Go Green Systems Ltd will be held and processed in accordance with the requirements of the 1998 Data Protection Act.
