Discussion of planning strategy going foward following withdrawl of application for demolition of existing property and replacement with new build house. Confirmation that single-storey, rear extension could be permitted development (subject to meeting PD criteria) but that change in appearance of windows would require planning application.

We also discussed a 2-storey front-extension, similar in footprint to that built at 32A. Nia confirmed that she would expect an extension at the front to reflect the design of the existing property (rather than contrasting as a new addition) with the external materials matching the existing house.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

No

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.
