Subject: [EXTERNAL EMAIL] - Re: letter for DOC23/00367

[You don't often get email from laurencejrae@aol.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

This email has been sent from outside the Council

Phishing is increasingly coming from hacked partner accounts that were previously trusted, including potentially other councils

If you're unsure whether this email is genuine, don't click on links or attachments and raise a support ticket using HALO ITSM

Good morning

Apologies the original application was P19/0229/F not a DOC

A minor drafting error

Laurence
