Please note that although the building has been built no Building regs certification have been achieved. The property is empty and will remain so until the driveway has been completed which will happen once planning has been granted.  
Attached is FUL planning application and the additional fee of [REDACTED] has been paid.  
Also attached is a location plan and a block plan indicating the location of the area to be tarmac.  
The garage chosen is APEX roof.  
Regards Nigel Smith
