

**Sketch Plan**  
88 Erlanger Road, New Cross, SE14 5TH

**Statement of work:**

**T1 Olive** - Rear garden (smaller of the 2 Olives): To reshape the regrowth into a tighter more compact form. Height 2 metres by 1.5 metres spread.

**T2 Olive** - Rear garden (larger of the 2 Olives): To thin the larger of the 2 trees by up to 15% to create a more even crown density and reshape the regrowth into a tighter more compact form. Height 3 metres by spread 2.5 metres.

**T3 Ceanothus** – RHB: To lightly reshape the canopy into a tighter more compact form. To include reducing one limb growing into the adjacent Cercis and thin the overall canopy by up to 10% focusing on the internal deadwood. Height 2 metres by 3.5 metres.

**Reason for work:** General maintenance.
