Description of Proposed Works, Impacts and Risks

Proposed works

Please describe the proposed development including details of any dwellinghouses and other works proposed

Proposed change of use from office space to 2no. two bedroom flats with associated parking.

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

2no. new windows (one ground/ one first floor) are proposed to be installed to the open plan living/ kitchen area of each flat. The existing windows within the building will provide natural light into the bedrooms.

What will be the net increase in dwellinghouses?

2

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building prior to the development.

Impacts and risks

Please provide details of any transport and highways impacts and how these will be mitigated, particularly to ensure safe site access

Existing pedestrian and vehicular site access and parking is to be retained, including access to the neighboring offices across the application site. External bin storage is provided on site and refuse vehicles already access the site.

Please provide details of any contamination risks and how these will be mitigated

N/A

Please provide details of any flooding risks and how these will be mitigated.

N/A Flood risk zone 1

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

Check if your site location is in Flood Zone 2 or 3 online

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Please provide details of the impacts of noise from any commercial premises on the intended occupiers of the new dwellinghouses and how these will be mitigated

New double glazed windows are proposed.

The adjoining office building will be sufficiently sound proofed on the party wall.

If the building is located in a conservation area, and the development involves a change of use of the whole or part of the ground floor. Please provide details of the impacts that the change of use will have on the character or sustainability of the conservation area and how these will be mitigated

The proposed change of use will have very little impact on the character of Yeadon Conservation Area. The existing East facing frontage/ façade of the building will remain, providing a shared entrance to the two flats. Existing window openings on the North elevation will remain and 2no. new windows to the West elevation are proposed which will match the existing fenestration details of the building; aesthetically, the exterior of the building will remain largely as existing.

The property is close to local amenities, provides off street parking and is in a highly sustainable location.

If the building is located in an area currently in use for general or heavy industry, waste management, storage and distribution, or a mix of such Please provide details of the impacts on intended occupiers of the development of the introduction of residential use in the area and how these will be mitigated The neighboring Moorfield industrial estate will have little impact on the occupants of the flats. Vice versa, the proposed residential dwellings will have very little impact on the existing industrial properties. The property is located far enough away form industrial units so noise will not be an issue, to reiterate this point further, existing residential properties exist approximately 100m away. Existing access arrangements will remain. There is already a vehicular access route to the site and parking is also provided. If the proposal involves the loss of services provided by a registered nursery, or a health centre. Please provide details of the impacts on the local provision of the type of services lost and how these will be mitigated N/A List of flats and other premises in the existing building Please provide a list of all addresses of any flats and any other premises within the existing building House name: Number: Suffix: Address line 1: Moorfield Chambers Address Line 2: Moorfield Crescent Town/City: Yeadon Postcode: LS19 7EA **Declaration** I/We hereby apply for Prior Approval: Change of use - commercial/business/service to dwellinghouses as described in the questions answered, details provided, and the accompanying plans/drawings and additional information. I/We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them. I/We also accept that, in accordance with the Planning Portal's terms and conditions: - Once submitted, this information will be made available to the Local Planning Authority and, once validated by them, be published as part of a public register and on the authority's website; - Our system will automatically generate and send you emails in regard to the submission of this application. ✓ I / We agree to the outlined declaration Signed Nick Weston
