Hi Elloise

I noted the application form details the parking to be relocated alongside the proposed extension. The kerb is already dropped at the end of the turning head and so would need no further work on the highway. It seemed unlikely that the applicant would not provide relocated parking.

Please add a condition Prior to commencement of any development the provision of parking in accordance with a scheme to be submitted and approved by the LPA. The parking should be OCC Parking Standards 2022 compliant.

Hi Kevin,

Can I check you are satisfied with the parking provision on this application considering that the side extension is to go over the parking area fully?

Many thanks,

The proposal, if permitted, will not have a significant detrimental impact (in terms of highway safety and convenience) on the adjacent highway network

Recommendation:

Oxfordshire County Council, as the Local Highways Authority, hereby notify the District Planning Authority that they **do not object** to the granting of planning permission
