Our Ref 23-2351

Dear Sirs

Extension, alterations and new gates at 21 Back Road, Murrow

Please find attached a planning application and details for the above.

The existing property is a detached bungalow and the proposal is seeking planning permission to build a single storey rear/side extension to form a kitchen and utility/porch. The proposal also involves the installation of some new access gates.

A similar proposal your reference F/YR23/0466/F was recently approved, but these latest plans see the extension increased in depth.

Hopefully you should have all required information to enable validation of the application, however should you require anything else or wish to discuss any aspects of the proposal in anyway do not hesitate to contact me.

I look forward to receiving your acknowledgement and planning permission in due course.

Yours faithfully

Nick
