Eligibility

Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible.

The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.

The questions below will help determine if the proposals are eligible for this permitted development right.

The current building and site

Was the current building constructed between 1 July 1948 and 5 March 2018?

Yes

No

On 5 March 2018, based on the Use Classes in place on that date, was the building in use as:

- shops (Use Class A1), financial and professional services (Use Class A2), restaurants and cafes (Use Class A3), offices (Use Class B1a), a betting office, pay day loan shop, launderette or a mix of any of these uses; or
- dwellinghouses (Use Class C3) including as a mixed use with any of the above

Yes

No

If the building is currently in mixed use including use as dwellinghouses (Use Class C3), was the current use as dwellinghouses only granted by virtue of permitted development rights Schedule 1, Part 3, MA of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended)?

Yes

No / The building is not in mixed use including use as dwellinghouses

Have additional storeys already been added to the original building (as it stood on 1 July 1948, or as built after that date; or, if 'Crown land', as it stood on 7 June 2006, or as built after that date)?

Yes

No

Is any part of the land or site on which the building is located:

- in a conservation area;
- in an area of outstanding natural beauty;
- in an area specified by the Secretary of State for the purposes of enhancement and protection of the natural beauty and amenity of the countryside;
- in the Broads;
- in a National Park;
- in a World Heritage Site;
- in a site of special scientific interest;
- a listed building or land within its curtilage;
- a scheduled monument or land within its curtilage;
- a safety hazard area;
- a military explosives storage area; or
- within 3 kilometres of the perimeter of an aerodrome

Yes

No

The proposed development

Will the proposed additional storeys only be constructed on the principal part of the building (i.e. the main part of the building excluding any front, side or rear extension of a lower height, whether this forms part of the original building or a subsequent addition)?

Yes

No

Would the floor to ceiling height, measured internally, of any proposed additional storey exceed:

- 3 metres; or
- the floor to ceiling height, measured internally, of any existing storey of the principal part of the existing building

Yes

No

Would the proposed extended building's:

- height exceed 18m (as measured from ground level to the highest part of the roof, not including plant); or
- roof be:
 - more than 3.5 metres higher than the highest part of the existing roof (not including plant, in each case), where the existing building consists of one storey above ground level; or
 - more than 7 metres higher than the highest part of the existing roof (not including plant, in each case), where the existing building consists of more than one storey above ground level.

Yes

No

Would the proposed extension result in the highest part of the roof exceeding 3.5 metres above the highest part of the roof of any building in the terraced row it is situated (not including plant, in each case)?

Yes

No

Will the development include a window in any wall or roof slope forming a side elevation of the building?

Yes

No

Will all the proposed new dwellinghouses be flats (i.e. separate and self-contained premises constructed for use for the purposes of a dwellinghouse)?

Yes

No

Will all the proposed new dwellinghouses have gross internal floor areas of at least 37 square metres, and comply with the [nationally described space standard?](#)

Yes

No

Following the development, will every dwellinghouse in the building remain in use within Use Class C3 and for no other purpose, unless that purpose is ancillary to the primary use as a dwellinghouse?

- Yes
 No

Related operations and works

Will any proposed engineering operations reasonably necessary to construct the additional storeys and new dwellinghouses include:

- Provision of visible support structures on or attached to the exterior of the building upon completion of the development; or
- Anything other than works within the existing curtilage of the building to strengthen existing walls; strengthen existing foundations; or install or replace water, drainage, electricity, gas or other services

- Yes
 No

Will any works for the replacement of existing plant or installation of additional plant on the roof of the extended building reasonably necessary to service the new dwellinghouses include:

- Installation of plant where none currently exists; or
- Increasing the height of any installed plant (i.e. as measured before and after from the lowest surface of the roof on the principal part of the building)

- Yes
 No

Will any works for the construction of appropriate and safe access to and egress from the new and existing dwellinghouses (including means of escape from fire, via additional external doors or external staircases) extend beyond the curtilage of the existing building?

- Yes
 No

Will any works for the construction of storage, waste or other ancillary facilities reasonably necessary to support the new dwellinghouses:

- extend beyond the curtilage of the existing building;
- be situated on land forward of a wall forming the principal elevation of the existing building; or
- be situated on land forward of a wall fronting a highway and forming a side elevation of the existing building

- Yes
 No

Description of Proposed Works, Impacts and Risks

Proposed works

Please describe the proposed development including details of any dwellinghouses and other works proposed

Additional storey at third floor level to provide 1no self-contained flat

Please describe the effects of the proposed development on the external appearance of the building, including:

- the design and architectural features of the principal elevation (and any side elevation that fronts a highway)
- the impact of any works for the construction of appropriate and safe access to and egress from the new and existing dwellinghouses (including means of escape from fire, via additional external doors or external staircases)
- the impact of any works for the construction of storage, waste or other ancillary facilities reasonably necessary to support the new dwellinghouses

Chequers Parade is a pedestrianised side street. The buildings on this terrace comprise of brown brick buildings with flat roofs. There is separate access to the upper floor from the rear of the property;

In the case of upwards extensions consideration must be given to every face, not just the principal elevation, any side elevation fronting a highway or the design and architectural features of those elevations

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

The property has windows at the front and back/ All habitable rooms have access to adequate light.

What will be the net increase in dwellinghouses?

1

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building prior to the development.

Impacts and risks

Please provide details of any transport and highways impacts and how these will be mitigated

This is a highly accessible location, close to local amenities. There are parking spaces at the rear of the building as well as space to install a bike storage unit.

Please provide details of any air traffic and defence asset impacts and how these will be mitigated

There are no air traffic or defence assets within the vicinity.

Please provide details of any contamination risks and how these will be mitigated

There are no below ground works proposed, contamination issues are therefore not applicable.

Please provide details of any flooding risks and how these will be mitigated.

The site is in Flood Zone 1 where an FRA is not required.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

[Check if your site location is in Flood Zone 2 or 3 online](#)

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Please provide details of the impacts on the amenity of the existing building and neighbouring premises including overlooking, privacy and the loss of light and how these will be mitigated

There are no immediate residential units in the immediate location, there will be no overlooking and privacy issues caused by this development.

In the case of upwards extensions this includes neighbouring properties which are not contiguous with the proposed development site. Further details around the impacts should be provided for these application types

Please provide details of the impacts of noise from any commercial premises on the intended occupiers of the new dwellinghouses and how these will be mitigated

The ground floor unit is in use as office. The windows will be installed to the required acoustic performance. The terrace sits in front of the houses on Elizabeth Terrace and this area is quiet and suitable for residential use.

Please provide details of the impacts of the introduction of, or an increase in, a residential use of premises in the area on the carrying on of any trade, business or other use of land in the area and how these will be mitigated

As this is a mixed commercial residential area, the additional 1 residential unit is not likely to have any impact. It is noted though that any increase in footfall can only have a positive impact on the commercial uses.

Where relevant (due to the siting of the building), please provide details of the impact on any protected view.

N/A

These are identified in the Directions Relating to Protected Views dated 15 March 2012 issued by the Secretary of State.
