6th November 2023

Dear Michael,

Town and Country Planning Act 1990, Section 211 - Notification of Intention to carry out work to trees within a Conservation Area at 3 Spring Grove Anerley London SE19 2TD

Thank you for your application received on 6th November 2023 in which you notified this Council of your intention to carry out the following works:

T1 Bay - Section fell to ground level.

at the above address which is situated in the Belvedere Road Conservation Area.

This Council now has six weeks to consider the intended works and determine whether it would be appropriate to make a Tree Preservation Order for the trees which are to be subject to the proposed works.

The six weeks will expire at the end of 18th December 2023. The purpose of the six weeks is to allow time for this Council to fully consider all aspects of the work proposed. It also allows the opportunity for any interested persons to make representations to this Council in connection with the proposed works. The Council will take any comments received into account when determining whether to make a Tree Preservation Order.

Please note that if I consider it necessary for a site notice to be displayed, this will be issued to you in due course.

Yours sincerely,

Christopher Ryder
