Hi Susan,

Thank you for your reply. I have attempted to upload photos as requested to the application but it appears to be locked. I have attached them below for reference but please let me know if these need to be uploaded.

I have reviewed the checklist but can't find anything specific to replacing windows, so I'm not even sure I need the Lawful development certificate or not. Could you please confirm?

I'm attempting to replace my existing double glazing with new windows, in a similar style. I have attached pictures so you can compare the current windows with the proposed replacements.

Kind regards
Cliff Haydon
