Amendments Summary

1 Please can you provide one Site Location Plan with at least two road names. Nearby road names do not appear on downloaded plans from ordnance survey so I have added them manually

2 Can you please advise if you are adding a front porch to the house. If so please can this be amended to reflect on the plan if so. I have checked the form and it definitely states that the proposal includes the addition of a front porch.

3 The existing rear elevation shows a window and a door but the plans only show a door. Please can this be altered. I've looked at the elevation and plan and as far as I can see the existing rear elevation on Drg 2 shows a door and sidelight and a separate window, and the plan on Drg 1 shows the same on the wall above the word Kitchen. Perhaps you were thinking it was the wall between the kitchen and lounge which does indeed only have a door opening. I hope this is satisfactory.

4 I can see that you have provided block plans but they need to be at a scale of 1:200 or 1:500, I can't see a scale bar for this. Please can one be included. I have added the scale to the block plan I provided and I have purchased and uploaded another block plan as well.

I hope this all ok now and validation can take place. Thank you in advance. Please call me if need be. 07930 827355
