You don't often get email from [REDACTED]

[Learn why this is important](#)

Here are photos of the mobile home I propose to put at fighting cocks farm to enable me to stay there and look after and help my elderly parents

The home is on wheels so it is moveable

The railings and decking shown are not part of the caravan this is a picture from a previous signing before I purchased it

The wood finish will be in keeping with the farm buildings

Thank you

Steven piper
