## Eligibility

Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible. The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.

The questions below will help determine if the proposals are eligible for this permitted development right.

Please note, there are further eligibility criteria that will be covered in subsequent questions.

**Please note:** Any new dwellinghouse will only be eligible for permitted development rights if it has a gross internal floor area of at least 37 square metres, and complies with the [nationally described space standard](#).

Was the use of the site on 20 March 2013 (or the last use before that date) solely for an agricultural use as part of an established agricultural unit?

- Yes  
 No

Has any work under the permitted development rights for the erection, extension or alteration of a building reasonably necessary for the purposes of agriculture been carried out on the agricultural unit since 20 March 2013?

- Yes  
 No

Will the external dimensions of the resulting building(s) extend beyond the existing building(s) at any point?

- Yes  
 No

Is any part of the land, site or building:

- in a conservation area;
- in an area of outstanding natural beauty;
- in an area specified by the Secretary of State for the purposes of enhancement and protection of the natural beauty and amenity of the countryside;
- in the Broads;
- in a National Park;
- in a World Heritage Site;
- in a site of special scientific interest;
- in a safety hazard area;
- in a military explosives storage area;
- a scheduled monument (or the site contains one);
- a listed building (or within the curtilage of a listed building)

- Yes  
 No

## Agricultural tenants

To be eligible for this permitted development right, all parties to any agricultural tenancy agreements that are currently in place, or that have been terminated in the year before development is proposed to begin, need to provide consent.

This is to help ensure that agricultural tenants are not displaced to allow a change of use to be carried out.

Is the site currently occupied under any agricultural tenancy agreements?

- Yes  
 No

Have any agricultural tenancy agreements been terminated in the year before development is proposed to begin for the purpose of carrying out the proposed change of use?

- Yes  
 No

## Dwellinghouses and floor space

To be eligible for this permitted development right, the number and size of dwellinghouses developed has to be within the limits set by legislation. This includes any dwellinghouses that were previously developed under this permitted development right.

- No more than a total of 5 dwellinghouses (including no more than 3 larger dwellinghouses) can be developed;
- No single dwellinghouse can exceed 465 square metres of floor space; and
- The total combined floor space of all the larger dwellinghouses developed cannot exceed 465 square metres.

For the purposes of this permitted development right:

- 'Smaller dwellinghouse' means a dwellinghouse (Use Class C3) which has a floor space of no more than 100 square metres
- 'Larger dwellinghouse' means a dwellinghouse (Use Class C3) which has a floor space of more than 100 square metres but no more than 465 square metres.

**Please note: For prior approval applications submitted from 6 April 2021 onwards** - Any new dwellinghouse will only be eligible for permitted development rights if it has a gross internal floor area of at least 37 square metres, and complies with the [nationally described space standard](#).

How many smaller dwellinghouses will be created by this proposal?

0

How many larger dwellinghouses will be created by this proposal?

1

What will be the net increase in dwellinghouses?

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses on the site immediately prior to the development.

1

### Previous development

How many smaller dwellinghouses have previously been created under this permitted development right on this established agricultural unit?

0

How many larger dwellinghouses have previously been created under this permitted development right on this established agricultural unit?

0

### Floor space of larger dwellinghouse(s)

Will the total combined floor space (previously and in this proposal) changed to Larger Dwellinghouses under this permitted development right on this established agricultural unit exceed 465 square metres?

(Select 'No' if no larger dwellinghouses have been or will be created).

- Yes  
 No

## Description of Proposed Works, Impacts and Risks

Please describe the proposed development, including:

- The siting and location of the building(s); and
- From 1 August 2020, details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

Conversion of existing traditional barn adjacent Church Farm House.  
All rooms have adequate natural light

Are any associated building works or other operations required to make this change?

Note that such works are restricted to those listed below that are reasonably necessary to convert the building(s) for use as a dwellinghouse:

- the installation or replacement of windows, doors, roofs, or exterior walls;
- the installation or replacement of water, drainage, electricity, gas or other services;
- partial demolition to the extent reasonably necessary to carry out the works listed above.

Yes

No

If yes, please provide details of the design and external appearance of the building(s) in regard to these building works or other operations:

Refer to Drawings:  
1025.001 Site Survey  
1025.002 Barn Survey  
1025.004 Barn Proposals  
1025.006 Site Proposals  
1025 DAS.  
Planning Statement

Please provide details of any transport and highways impacts and how these will be mitigated:

Anticipated vehicle movements will be less than the former agricultural use.  
Existing main road access points are to be used.  
Farm traffic can be separated from proposed dwelling through use of separate access points.

Please provide details of any noise impacts and how these will be mitigated:

There is an existing farm use and large dwelling adjacent. No significant noise generation is anticipated from a single additional domestic dwelling.

Please provide details of any contamination risks and how these will be mitigated:

The site is uncontaminated.  
See submitted Wilson Associates Contamination Assessment.

Please provide details of any flooding risks and how these will be mitigated.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

[Check if your site location is in Flood Zone 2 or 3 online.](#)

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

See FRA statement within the Planning Statement.  
The flood zone abuts the west end of the barn but the barn and outillage are not within the Flood zone 2 or 3. The existing farmhouse opposite is outside Flood Zones 2 & 3. Separate access is to be provided which avoids the Flood Zone 3 extents. The stream to the North is to be maintained to prevent flooding.
