Email address ****** REDACTED ****** Description of Proposed Works Please describe the proposed works The property confines with Milestone Road and Mariborough Close. A stone fence wall surrounds the garden/property adjacent to the highway, with a height of less than 1 m. As we cannot place anything in the garden as there is a high risk of burglars' intrusion overnight, we kindly request permission to increase the height of the stone fence wall to the same height as our neighbour's fence adjacent to Milestone Road. The height of the fence will be below 2m. We are located in the corner, at the intersection between Milestone Road and Mariborough Close, and there is a high number of passers-by, so there is no privacy within the property's front garden and not even the possibility to make use of it (placing garden furniture) due to potential burglar intrusion. Has the work already been started without consent? Yes No No Materials Does the proposed development require any materials to be used externally? Yes No No Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)
