| c) Demolition of a part of the listed building  ○ Yes  ⊙ No  |
| Please provide a brief description of the building or part of the building you are proposing to demolish   |
| The proposal involves the removal of part of the covered yard roof (referred to as building 4 in the submitted application reporting). The covered yard is considered to be a curtilage listed structure owing to its historic association with the grade II listed Asterleigh Farmhouse, albeit the heritage status of the structure is a matter for the Local Planning Authority to determine. |
| Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?  |
| The proposed partial removal of the roof of building 4 is necessary to facilitate the conversion of the adjoining threshing barn (building 2) to a dwelling (plot 2) and to re-use the covered yard as amenity space for plot 2. As set out in the accompanying reporting, this proposal would put the buildings to an optimal viable use consistent with their conservation.                    |

Also include the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s).            |
| As set out in the submitted reporting, the traditional barns and stables to which the proposals relate are considered to be curtilage listed. As such, all submitted plans illustrate proposals to curtilage listed structures (with the exception of the modern stables (building 6) which is not considered to qualify for curtilage listing). |
